Greetings! The OH-KY-IN Amateur Radio Society will proudly be conducting its annual ARRL Field Day event on Saturday and Sunday, 26 and 27 June 2021. Please join us for a weekend full of amateur radio at its best! Field Day is a yearly operating event that starts at 2PM on Saturday and concludes at 2PM on Sunday.

As Field Day Chair I am honored that our Club conducts THE best Field Day operation in the area. With the hard work of so many of you throughout the years, planning each year's event gets a little easier every time. That's due to the fact that we've gotten so good at this that there is very little we need, or would like to change. So this year, we will once again go forward with our same planning as the last few years, but of course, it is an open discussion. Suggestions and comments are always welcome.

**THIS YEAR WILL BE DIFFERENT:** We will be operating from one of two locations. While the Parks are working with us to try to let us conduct FD at Mitchell Memorial, this is still an open item. Regardless, please remember that we have a guaranteed location at the QTH of Dick Arnett, WB4SUV. Dick's hospitality was instrumental in some of our members conducting the usual 3A category when the pandemic was at its peak last year, but with a different callsign. While not an Oh-Ky-In event, we proved it still could be done with a minimum of operators.

This year, it will be especially open to any member and then to any amateur who would like to participate. However, we still need to keep the number of people down so we will not be holding our annual FD Picnic. There will be food available but will be provided only for those who come out to operate and/or help out and at specific times only. We have all learned, and adapted to this pandemic situation. I think most people understand the protocols involved and will act accordingly.

**SO, WITH THAT SAID:** I will be leaving the idea open for Mitchell until the end of the third week of May. The situation is changing rapidly so it may open up. The ONLY difference in how we are planning is if our Mitchell site opens, we need a set up/teardown crew on Friday and Sunday. If Mitchell opens up, we will be on whatever restrictions they impose. If at Dick's QTH, we will not need a setup/teardown crew and there is no need to come out on Friday. Also at Dick's location, parking is very limited street parking, and we have to think about the neighbors (which are great by the way, but lets not push it).

Even as last year, no one will be turned away, we just need to conduct due diligence in number of people, distancing, and all the safety protocols we have all learned to deal with. If you'd like to bring a friend or family member to see what we do and to learn and hopefully operate for awhile, that is fine too.

Other than that, operationally, we will be having a very normal Oh-Ky-In Field Day!

In the next couple of weeks I will set up a Groups.IO page that all can participate regarding preparation, signups, info, etc. However, for now, please email me direct with your interest in participating and I will start a list and begin the process of signups. Also, do the same for ANY questions that you may have. My email address is n8yc123@gmail.com

We will be operating four stations:

SSB Station 1: 10,15,20,40,80M

CW Station, 20 and 40M

GOTA will again be deferred

Digital/SSB Station 2: 10,15,20,40,80M

6 Meter/VHF/UHF Station

We will also have demonstrations for our bonus points in Solar, Satellite/Digital/APRS and National Traffic System operations among others. If there is any amateur radio technology you would like to bring out to demo, this is the perfect place!

Field Day is a great annual event geared to veteran and beginner operators alike, and of all ages. Anyone, regardless of their skills are free to sign up for any station and there is always someone available to help you along.

Visit the ARRL's website for a wealth of information on Field Day at: <http://www.arrl.org/field-day>

I will be sending out more info soon as we continue to develop this year's event.

Thanks and see you soon! Eric, N8YC

### **Special Event Station Activation**

OH-KY-IN is planning to participate in the International Museums Weekends (<http://www.radio-amateur-events.org/IMW/>) annual event this year. The event runs the last two weekends in June and OH-KY-IN will be activating the Cincinnati Art Museum. Since the second weekend of this event overlaps with ARRL Field Day, there will be some challenges trying to operate both weekends but depending on interest, there may be some options. Cesi KD8OOB has already secured a 1x1 special event call sign, W8M, for this event and we should have enough flexibility to find a way to make it a great event no matter what the COVID situation is at that time. This should be a relaxed, fun event. Contact Cesi KD8OOB or Ryan AC8UJ if you are interested in participating.

### **Membership Renewal Time**

It's time to renew your membership! OH-KY-IN membership runs from January through December regardless of when you last paid your dues. If you haven't renewed yet for 2021, please do so. Members who have not renewed by the end of March will no longer be members. Don't let this happen to you!

You can renew easily online by going to <http://renew.ohkyin.org/> and paying via PayPal.

If you have any questions, concerns or problems, you can contact our Membership Chair, Nathan KA3MTT for help.

### **Newsletter Submissions**

While our regular newsletter editor relocates to a new home, Ryan AC8UJ will be serving as the interim editor of the Q-Fiver. Please send him any submissions you would like included in upcoming newsletters. All content is welcome! You can e-mail content to him at his callsign at arrl.net. Please send all content either as plain e-mail text (attach any photos or graphics) or as a PDF file. Depending on the spacing needs of the particular issue, Ryan may reformat your content and adjust the layout. Because of this, if you send a PDF, please also include any graphics used as attachments.

***Proposed Bylaws Changes***

At a future meeting of the OH-KY-IN membership, we will be holding a vote to approve replacing both our existing Constitution and our existing Bylaws with the following proposed single document (henceforth to be known as our Bylaws). We have learned that Ohio corporations should only have Articles of Incorporation and Bylaws, thus we are retiring our constitution to bring us in line with common practice and merging the two documents into a single document while incorporating some updates at the same time. There are no changes being proposed to our Articles of Incorporation at this time. They remain as filed and previously amended with the state of Ohio. The current Constitution and Bylaws are available on the club website under "About OH-KY-IN" and then "Constitution and Bylaws" if you wish to compare the old with the proposed.

**OH-KY-IN AMATEUR RADIO SOCIETY,  
INC. (the "Society")  
CODE OF REGULATIONS (also referred  
to as BYLAWS)**

**As amended at the \_\_\_\_\_, 2021 meeting of  
members.**

**ARTICLE I. MEMBERSHIP**

A. Any person interested in Amateur Radio and who is in sympathy with the purposes of this Society may become a member upon completing an application for membership and payment of any applicable dues; however, an application for membership may be rejected, or the membership of any individual may be terminated, by the Board of Directors if in the opinion of the Board the prospective or continued membership of that individual is not in the best interests of the Society due to prior or continuing violation of F.C.C. rules, disruptive behavior, or other reasonable cause as determined by the Board, whose decisions shall be final.

B. The dues (which may vary depending on categories set by the Board) shall be determined by the Board of Directors from time to time, and shall be payable to the Treasurer during the month of January or at such other time as the Board of Directors may approve. Dues unpaid three months after the due date shall result in automatic termination of membership.

C. Any members qualifying for free membership under categories that may be established by the Board, shall have no voting rights.

**ARTICLE II. BOARD OF DIRECTORS**

A. Except where authority is otherwise designated under the law, the Articles of Incorporation or these Bylaws, authority over the affairs of this Society shall be exercised by or under the direction of the Board of Directors, which shall consist of three elected Directors serving staggered three-year terms, with one Director being elected each year; together with the four elected officers specified below and the immediate Past President of the Society who serve ex officio with vote. However, all members of the Board of Directors must be current members of the Society. The annual election of one Director shall be conducted along with the election of officers as provided below.

B. If any Board member dies, resigns, is removed, or becomes unable to serve, the vacancy for the unexpired term shall be filled by appointment of the remaining Board of Directors, even if the number remaining is less than otherwise required for a quorum.

C. Any Board member may be removed from office by majority vote of those members present at a regular or special meeting of the members, provided that notice of the proposed action has been given to the members as provided in Article V.D.

D. The Board shall schedule regular meetings to occur at least bi-monthly. The President, or in the absence of the President the Vice-President, may cancel a meeting if there is no business to conduct. Special meetings may be called by the President or by any three Board members with notice to the Board as provided in Article II.E. Four Board members shall form a quorum for any regular or special meeting of the Board of Directors, and the majority vote of Board members present shall be the action of the Board unless otherwise required by law or these Bylaws. Board members may not vote by proxy but may attend a meeting by telephone conference call, video call or other electronic means which allow all participating Board members to hear each other. The Board may also act by unanimous written consent, and email or other electronic communications may be accepted for that purpose.

*Continued on page 7*

E. Notice of regular or special Board meetings (other than regularly-scheduled meetings as established at the beginning of each year) shall be sent to each Board member not less than five days prior to such meeting either (1) by first class mail to his or her residence or place of business as listed in the Society's records or (2) by electronic mail to his or her e-mail address, if one has been furnished for that purpose to the Society. Such notice shall set forth the time and place of such meeting and shall be valid if sent as stated in the preceding sentence, whether or not actually received. Business to be transacted at any regular meeting of the Board shall not be limited to those matters set forth in the notice of meeting. Notice of any meeting of the Board may be waived by the execution of a written waiver of such notice, either before or after the holding of such meeting by any Board member. The attendance of any Board member at any meeting without protest at the commencement of the meeting shall be deemed to be a waiver of notice of the meeting.

F. Board meetings are open to members, so the date and location of Board meetings (other than confidential meetings as provided below) must be distributed to the membership in advance of each meeting. However, the Board may conduct a confidential special meeting or executive session at a regular meeting to discuss sensitive topics such as actual or potential litigation, contract negotiations, and other legal or personnel matters.

G. Board members (including current and former officers serving ex-officio) shall not receive any compensation for their service but shall be entitled to reimbursement of authorized expenditures made on behalf of the Society. The Society may purchase directors liability insurance or other reasonable and customary coverages for the benefit of the Directors.

### **ARTICLE III. OFFICERS AND COMMITTEES**

A. The elective officers of this Society shall be a President, Vice President, Treasurer, and Secretary. These officers shall be elected annually at the December meeting by majority vote of the members present and voting. All of the elected officers must be Amateur Radio operators licensed by the Federal Communications Commission.

B. Elected officers of the Society shall serve one year terms (calendar year) and until their successors are

elected and take office.

C. The President shall appoint a three-member Nominating Committee and the Nominating Committee shall submit, at the November meeting, names of proposed candidates for each of the four officers and one elected Director. Additional nominations may be made by members from the floor at this meeting.

D. Election of officers from the candidates identified at the November meeting (as the list of candidates may be supplemented by write-in vote at the December meeting) shall take place at the December meeting and shall be by majority vote of the members present.

E. The Board may appoint one or more Assistant Vice-Presidents, Assistant Secretaries or Assistant Treasurers or such other officers, having such duties and responsibilities as the Board shall deem advisable. Such non-elected officers need not be Board members and shall serve at the pleasure of the Board.

F. The President may establish or discontinue committees from time to time in his or her discretion, except as specified in this subsection. A financial review committee of three members shall be appointed by the President at the January meeting each year. The records of deposits and expenditures from the Society's bank accounts shall be reviewed, and a report submitted at the March general membership meeting. A three-person property review committee shall be appointed by the President in January of even-numbered years to review the physical property owned by the Society and present a report no later than the November general membership meeting of the same year. It is recognized that the members of these committees are not professional auditors and they shall not be personally liable for any failure to detect any irregularity that may have occurred.

G. The President shall appoint chairpersons for all committees. Terms for the chairpersons of all committees shall be one year and shall run concurrently with the elected officers, but the President may remove and replace any such chairperson at any time.

*Continued on page 8*

**ARTICLE IV. DUTIES OF OFFICERS**

A. The President shall preside at all meetings of the Society, shall be a member ex-officio of all committees, and shall have all other powers and perform all other duties usually pertaining to the office. The President shall make or cause to be made reports concerning the activities of the Society to the members and to any other relevant recipients such as the American Radio Relay League.

B. The Vice President shall preside in the absence of the President and shall act as aide to the President.

C. The Secretary shall keep an accurate record of all meetings of the Society, and keep a roster of members. The Secretary shall conduct the official correspondence of the Society and be responsible for acquiring information, and maintaining records.

D. The Treasurer shall be custodian of all the funds of the Society, and shall be responsible for the proper deposit of such funds in an FDIC-insured bank or other investment authorized by the Board. The Treasurer shall keep an accurate itemized account of all receipts and expenditures and pay bills as authorized by the Board of Directors. The Treasurer shall render a report at each meeting of the Society. The Treasurer shall be responsible for filing all necessary reports to the State of Ohio and the United States Internal Revenue Service. Such reports shall be filed at such time as stipulated by the various agencies of the above so as not to incur any penalties for late filing.

E. Officers shall not receive any compensation for their service but shall be entitled to reimbursement of authorized expenditures made on behalf of the Society. The Society may purchase officers liability insurance or other reasonable and customary coverages for the benefit of the officers.

F. Expenditures of more than \$1,000 must be approved by a majority of the membership present and voting at a regular or special membership meeting prior to committing to the expenditure.

**ARTICLE V. MEMBERSHIP MEETINGS**

A. Regular monthly or bi-monthly meetings of the membership shall be held from January through December. The date of regular meetings for the

following calendar year shall be selected by the Board of Directors at its November meeting and published in the Society's official publication, but such scheduled meeting dates may be changed subsequently by the Board upon giving further notice to the members as provided in Article V.D. The meetings of this Society shall be open to interested persons, but the privilege of making motions, debating or voting shall be limited to dues-paid members of the Society, and the presiding officer may exclude any person who is disruptive or whose presence is otherwise determined to be not in the best interests of the Society. Business to be transacted at any regular meeting of the membership shall not be limited to those matters set forth in the notice of meeting, but shall not include amendment of these Bylaws or removal of any Board member unless the proposed actions were set forth in the notice. Members may vote by proxy if a proper written proxy is provided to the Secretary at the meeting.

B. A special membership meeting may be called by the President, or by the Vice President in the President's absence, at a reasonable time and place, with notice as provided in Article V.D. The notice must state the business to be conducted at the special meeting, and only that business may be conducted at that special meeting.

C. 20% of the Society's membership may call a special meeting of the membership at a reasonable time and place. The petition calling such a meeting shall be presented to the President, or to the Vice-President in the President's absence. The petition must state the business to be conducted at the special meeting, and only that business may be conducted at that special meeting. Upon receipt of any such proper petition, notice of the special meeting must be given by the Society to the membership as provided in Article V.D.

D. Notice of regular meetings of members is deemed given when published in the Society's official publication at least ten days prior to such meeting (and may be published up to a year in advance). Notice of a special meeting of members shall be deemed given if it is announced at a regular meeting of the members at least ten days prior to such special meeting, is published in the Society's official publication, or is sent by electronic mail to all members who have furnished such an address to the

*Continued on page 9*

Society (through subscription to the Society’s public email reflector or otherwise), in each case at least ten days prior to such special meeting. Such notice of a special meeting shall set forth the time and place of such meeting and shall be valid if given as stated in the preceding sentence, whether or not actually received. The attendance of any member at any meeting without protest at the commencement of the meeting shall be deemed to be a waiver of notice of the meeting.

E. The rules in ROBERT’S RULES OF ORDER, REVISED, shall govern the Society’s meetings in all cases to which they are applicable unless inconsistent with other provisions of these Bylaws.

### ARTICLE VI. OFFICIAL PUBLICATION

A. The official publication of the Society will be called the Q-FIVER, unless a different name is approved by the Board of Directors. It shall be published monthly (with any exceptions approved by the Board of Directors) and distributed to all members in good standing who have furnished an electronic mail address for that purpose.

The Editor shall be appointed by the President. It is the responsibility of the Editor to maintain the editorial policy of the publication consistent with the policies and practices of the Society.

### ARTICLE VII. AMENDMENTS

A. These Bylaws may be amended at any regular or special meeting by a two-thirds (2/3) vote of the members present and voting.

B. No Bylaw amendment shall be put to a vote at a membership meeting unless notice of the meeting has been given as provided in Article V.D together with the text of the proposed changes in these Bylaws.
