

Brunch Bunch

by Bruce Vanselow N8BV

The next Brunch Bunch will be held Saturday, November 12th, at 1pm. The location for November is Chandler's Burger Bistro in Delhi Township. The Delhi Township location is at 6135 Cleves Warsaw Pike, 45233. It is located very near the corner of Cleves Warsaw Pike and Ebenezer Road.

“At Chandler's Burger Bistro, we take a whole new spin on the classic dinner experience. With Chandler's, you can have it all! Spend a nice dinner out with the whole family or relax at our sports bar with some friends to enjoy a beer and watch the big game. We are committed to delivering the best dining experience to you and your family. That's why we purchase our meat and buns daily from local vendors using only the freshest foods. Our food is handcrafted and made fresh to order every day.”

For a look at the menu as well as a map, go to: ***www.chandlersburgerbistro.com***

Remember that the Brunch Bunch always meets the second Saturday of every month at 1pm at a location to be announced each month. If you can't join us this month, maybe you'll be available to join us in the months ahead. As always I'm looking for suggestions on what restaurant you think might be a good place for the Brunch Bunch to visit in the future.

73, Bruce N8BV

QSL Card Design Results

After all the votes were tabulated, we have a winner of the QSL card design contest! And the winner is...

Card #4, designed by Rocky KE8DZS!

Congratulations Rocky! It was a tight competition with #4 and #5 jockeying for first place, but #4 ultimately finished at the top.

As promised, the entries are being published again this month on the following page, but this time, the attributions will be included so you can see who designed which card. Thanks to all those who contributed designs and to those who voted!

Winter Field Day

by Ryan Owens AC8UJ

OH-KY-IN's Winter Field Day event is fast approaching! Once again we'll be using the barn at Harvest Home Park in Cheviot. Although perhaps not quite as majestic as the scene pictured to the left, this has been a great site for us several times in the past and works very well for this event. Mark your calendars for Saturday January 28th and Sunday January 29th and plan on joining us! Setup will begin on Saturday sometime between 10:30 AM and noon.

We aim for a more experimental approach to Winter Field Day (as compared to the summer ARRL Field Day event). Have a radio you want help with? Bring it! Want to try a new antenna? Let's try it!

We held a planning meeting on October 18th and decided on a few things. Much will remain the same as previous years, but we are making a few changes. First, we plan on handling the food a bit different this year. Although we greatly enjoyed Chef John's chili in the past, the impact of unpredictable weather for this event makes it very hard to estimate expected turnout far enough in advance to purchase and prepare the right quantity. To simplify things, we'll be offering a couple of different options this year instead. For dinner on Saturday, participants may either opt to bring food potluck-style or chip in for a food run (similar to the Wild Mike's run at the summer event). There is an outstanding Italian restaurant (Giovanni's Family Italian) right across the street from the park and would be this author's recommendation. Additional food options may also be provided if needed, but that will be a day-of decision.

For Sunday morning, Ryan AC8UJ will plan on bringing donuts again this year and Rocky KE8DZS has volunteered to provide a hot breakfast casserole of some sort. We will of course have hot coffee available.

For physical accommodations, please plan on bringing your own chair to sit in. For those that attended our first year at this site, you may remember the round metal picnic tables that were there. Those were not actually supposed to be there — we just got lucky. Last year, those were not present, so the only seating we had was what people brought with them.

Last but not least, we could really use some overnight help. Last year, Rocky held down the fort overnight by himself. We want to make sure he doesn't have to do that again this year. If you are able, please consider volunteering to keep him company for at least a few hours overnight. If we get several volunteers, we can work out shifts so no one has to stay the whole night (and we'll make sure no one has to be there alone).

Please consider participating in this fun event! Even if you just stop by for a short time to visit, we would love to see you there!

Support OH-KY-IN by Shopping

Of course we appreciate your membership dues and all of the ways you give time and energy to the club, but did you know you can also support OH-KY-IN just by doing things you already do?

Kroger Community Rewards is a great source of income for the club and requires no effort! Visit <http://www.krogercommunityrewards.com/> and set us as your charity. We are organization **QY352**.

You can also support us through Amazon Smile. In the first quarter of 2022 (January 1st through March 31st), we earned a \$30.23 donation from Amazon Smile!

Contact Bruce N8BV for details about either program.

Newsletter Submissions

Please send any submissions you would like included in upcoming newsletters to Ryan, AC8UJ. All content is welcome! You can e-mail content to him at his callsign at arrl.net. Please send all content either as plain e-mail text (attach any photos or graphics) or as a PDF file. Depending on the spacing needs of the particular issue, Ryan may reformat your content and adjust the layout. Because of this, if you send a PDF, please also include any graphics used as attachments.

Meeting Location

The board has decided that we will continue meeting indefinitely at Lockland Church of the Nazarene, located at 335 West Wyoming Avenue in Lockland. It's right off I-75 at exit 12 (the Reading/Lockland exit southbound and the Davis St./Lockland/Reading exit northbound). Enter through the glass door by the mailbox under the awning. Be aware that there are about 5 steps down into the meeting room. Thanks to Steve N8PUP for making this facility available to the club for our meeting! We will also continue to offer Zoom for those wishing to join us online. If you have any symptoms of illness, please join us online to protect other club members.

Consider a Donation to OH-KY-IN

Did you know that OH-KY-IN ARS has been recognized by the Internal Revenue Service as a 501(c)(3) charitable organization? That means anyone who itemizes on their Federal return can take a charitable deduction for a contribution to OH-KY-IN, as long as it qualifies under the general rules applicable to all other charitable contributions (for example, the contribution must be in cash, or other property which the organization has agreed to accept; the value of volunteered services is not deductible). Membership dues, such as the cost of a life membership, may even be deductible; consult your own tax advisor for details if considering that. Posthumous donations by Will or by naming the organization as beneficiary of a financial account are also welcome.

OH-KY-IN SSTV Net Samples

Here's a sample of the images you could be receiving if you tuned into the weekly SSTV net on the 146.670 repeater. The net meets every Monday night at 9:00 PM Eastern time. No special equipment is required. If you have a 2 meter receiver and a computer or smart phone, you can receive images. If you don't know how, check in to the weekly Tech Talk net Wednesdays at 9:00 PM Eastern and ask for help. Hope to hear you all on the nets!
