Brunch Bunch

by Bruce Vanselow N8BV

The next Brunch Bunch will be held Saturday, September 14th, at 1pm. The location for September is Acapulco Authentic Restaurant in Fairfield. Acapulco is located at 5953 Boymel Drive, 45014. The restaurant is just a short distance off Dixie Highway (OH-4).

For a look at the menu as well as a map: [*www.acapulcofairfield.com*](http://www.acapulcofairfield.com).

Remember that the Brunch Bunch always meets the second Saturday of every month at 1pm at a location to be announced each month. If you can't join us this month, maybe you'll be available to join us in the months ahead.

As always I'm looking for suggestions on what restaurant you think might be a good place for the Brunch Bunch to visit in the future.

Help Needed for Harvest Home Fair

The annual Harvest Home Fair "Big 6" fundraiser is just around the corner and we still need additional volunteers to make sure we can adequately staff it. This is one of the two major fundraisers for the club each year and we really need your help. If you are able to take any length of shift for Friday, Saturday or Sunday, September 6th through 8th, please reach out to Rocky KE8DZS at dennismcgrath@gmail.com ASAP. Help is especially needed Friday evening and Saturday evening.

Please consider helping if you can. Volunteers need to be able to physically get into the booth and may need to stand for a good portion of the time. You must also be able to count quarters and dollar bills and make change.

Meeting Location Reminder & News

Our in-person meetings are now held at the Village of Arlington Heights Town Hall, located at 601 Elliott Ave., Cincinnati, Ohio 45215 just a couple of minutes off of I-75 at the Galbraith Road exit. This new meeting location **is fully accessible**, with an elevator and no steps to navigate. There is a parking lot adjacent to the building which will accommodate some of our members and there is ample on-street parking around the building. As always, please be respectful of the neighborhood and avoid blocking driveways, walking in lawns, etc.

We will continue to offer Zoom as well, with no changes expected in that regard.

To enter the building, go to the rear of the building and find an elevator in a small alcove. Take that elevator to the second floor and you will see the meeting room. From the parking lot, you should see the signs in the photo below pointing in the direction of the elevator. If you arrive early, it is possible that the elevator may not be unlocked yet. If there is no green light near the elevator button and the elevator doesn't open, please wait a little while for someone to arrive to unlock the elevator. We will try to open the doors close to 7:00 PM.

Please note that, like our pre-COVID meeting location in St. Bernard, this is a polling location, which means that we will not have use of this facility on election days. Therefore, our **November meeting will return to Lockland Church of the Nazarene** (our previous location), 335 West Wyoming Avenue, Cincinnati, Ohio 45215.

OH-KY-IN would like to thank the Village of Arlington Heights and Lockland Church of the Nazarene for the use of their facilities!

◆ This is **NOT** the door, but follow the arrows on the signs.

The Reading & Radio Ranch: Notes from the Library

by Justin Patrick Moore, KE8COY

When the kids go back to school in the fall, my mind often tears back to the topic of education, and self-education, embracing the path of the autodidact. As the dry heat does its work on the leaves of the trees and they began to turn, I like to think about turning more pages in more books and how I can manage to read some more of them before the end of the year. After all a library is to be used and the books to be put into circulation, so that thoughts can circulate, and from reflection, turn into informed action.

Here are a few tips to fit some more reading time into your schedule. You'll be glad you did.

1. Wake up earlier and put in 15, 20, 30 minutes or even an hour on that tome while you drink your coffee. The new ideas, stories and information gleaned will give your mind something pleasant to chew on throughout the day.
2. Does your work give you two fifteen-minute breaks, one in the morning and afternoon? If so, that's another thirty-minutes you can put into something. It's enough to read a short story from John Cheever, Raymond Chandler, or Arthur C. Clarke, or an essay by Ralph Waldo Emerson, Joan Didion, or George Orwell. If you like the long-form, it can also help you put a dent in War and Peace or The Name of the Wind.
3. Audiobooks are great. Some of even have full cast narration and it makes you feel like you are listening to an old time radio play. I just finished listening to Mischief by Ed McBain to get my mystery and police procedural fix. Something by Mickey Spillane might be next, or perhaps an old favorite like Watership Down. Speaking of old favorites, audiobooks are a great way to re-read your favorite books and experience them in a new way. If you have a commute it's a good way to get some audio reading in the ears, and if you have a job where you can listen to things while working its another way to digest some stories and pass the time.
4. If you find yourself having to wait for an appointment or ride as a passenger, say on the bus or on a long road trip, make sure you have a paperback or two. You will remember this a lot longer than whatever somebody was saying in the comments section of X, Facebook, Substack, TikTok, YouTube.
5. Likewise if you are in a line you can use your phone to find a short essay or news article to read. I bet you can get most of your news this way, leaving more time to read things that are less harmful to peace of mind.
6. Go to sleep an hour to thirty minutes earlier with the idea of reading until its time to turn out the light. A good story will wrap its way into your mind and you may find yourself having heroic dreams of epic quests.
7. On the weekends and other extra days off put a solid hour into a book. If the weather is nice, sit on the patio or porch and slip into another world. These extra sessions will get you closer to achieving your goal of reading more books. You do have that goal, don't you?
8. Considering you are in an amateur radio club you have at least one hobby, if not several more, you probably want to learn more about it. There are plenty of books on plenty of hobbies, so why not pick up something that looks a little different than what you already know about your hobby and learn about another niche or corner that can expand the horizons of what you can do.

Thanks for tuning in to these tips. Attenuate them as needed and adjust to your own patterns.

And always Remember: Keep Your Batteries Charged & Your Aerials Up!

Possible Opportunities... Don't Miss Out!

Are you signed up for the OH-KY-IN members e-mail list on Groups.io? Are you sure? We have TWO mailing lists. If you are a club member, you should belong to and use the “OHKYIN” list at <https://groups.io/g/OHKYIN> to stay informed of club events and to share news with club members. If you are NOT a club member (or you have made a mistake), you may belong to the “OHKYIN Public” list (<https://groups.io/g/OHKYINPublic>), which is exclusively for **NON**-members. The latter list is used for club announcements and things of that nature and is almost always just a subset of the messages that go out to our members list.

If you need help getting signed up, you may contact our membership chair Nathan KA3MTT at ka3mtt@yahoo.com and he will be happy to help get you set up on the list.

Members-Only Silent Auction

OH-KY-IN has recently received some donated equipment that we are planning to auction off to the membership some time in September. The specific details of the auction will be shared later, but we expect it to be conducted by e-mail using the club mailing list as the starting point. If you are specifically interested in an item and cannot participate by e-mail, you may attempt to make alternative arrangements with Ryan AC8UJ. The list of items to be auctioned has not yet been finalized, but it will include **at least** the items shown below and on the next page. Some of these items are very nice pieces. Club membership has its benefits and this is one of them — we will only open this auction to club members, so that our membership has the opportunity to perhaps get a good deal on these items. In certain cases, we may set a reserve price to ensure that we don't end up essentially giving an item away, but most items will simply go to the highest bidder (no reserve).

Additional photos can be provided on request. Contact Ryan AC8UJ at ac8uj@arrl.net by e-mail. We also may have some of these items on display at the Cincinnati Museum Center “1940's day” event, weather permitting.

◆ A very clean, fully serviced and recap'd Hammarlund HQ-120 shortwave receiver. This radio is fully operational and ready to go.

◆ A beautiful, fully serviced and recap'd Hallicrafters SX-99 shortwave receiver. This radio is fully operational and ready to go.

◆ A project piece: Motorola Model 6T Type No. 6-2 combination broadcast AM/shortwave receiver. This item will likely require some work to make it operational. The cabinet has some stains on it and a knob is missing. If you are looking for a piece of radio history and/or a restoration project, this radio could be for you.

- ◆ A fully operational Emerson Vanguard 888 transistor radio (batteries included) with “leather” (maybe?) carrying pouch and original operating instructions. This may be a 1958 radio, based on a handwritten date on the instructions. The pouch has some cracks in it as can be seen in the photo (one is a complete break and has been taped with clear tape), but considering the age is in pretty good shape.

Join the SSTV Net!

The SSTV net has attendance has been declining a bit recently. If attendance does not pick up, we will likely evaluate whether to adjust the schedule and hold the net less frequently. If you find SSTV interesting, we would love to have you join us. Don't know how to do SSTV? We can coach you on that!

Please check us out, Mondays at 9:00 PM on the 146.67 repeater.

- ◆ A fully operational Philco transistor radio (batteries included). Based on photo comparisons, this appears to be a T-7 Code 126 or something very similar in appearance.

Newcomers Net

The Newcomers net continues, with great participation. Robert K4PKM holds the net each **first** and **third** Sunday of the month at 7:00 PM on the 146.67 repeater. The net is open to all licensed amateur radio operators and those interested in becoming licensed are encouraged to listen in as well. The net focuses on topics of interest to newer hams, but participation by experienced hams is also encouraged. If you haven't already, check it out soon! **Due to the holiday, there will not be a net on September 1st.** The September 15th topic will be “Moving into HF and a General License.”

Bylaws Update News

Some of you may recall that a few years ago, we attempted to update the bylaws of the club but failed to achieve quorum to do so. After further consideration and much discussion, the Board has decided to once again ask the club to consider amending our bylaws to modernize them and align them with the standards of modern organizations. The board voted to present an amended set of bylaws to the club and ask the club to vote on them **at the September meeting**. This is the same set of changes presented previously. Presented below are the current bylaws, as adopted June 5th, 2012 followed by the proposed amended bylaws for your consideration. The board believes that the proposed bylaws are in the best interest of the club. You may direct questions to Ryan AC8UJ at president@ohkyin.org or ac8uj@arrrl.net.

Such notice of a special meeting shall set forth the time and place of such meeting and shall be valid if given as stated in the preceding sentence, whether or not actually received. The attendance of any member at any meeting without protest at the commencement of the meeting shall be deemed to be a waiver of notice of the meeting.

ARTICLE VI. OFFICIAL PUBLICATION

A. The official publication of the Society will be called the Q-FIVER, unless a different name is approved by the Board of Directors. It shall be published monthly (with any exceptions approved by the Board of Directors) and distributed to all members in good standing who have furnished an electronic mail address for that purpose. The Editor shall be appointed by the President. It is the responsibility of the Editor to maintain the editorial policy of the publication consistent with the policies and practices of the Society.

ARTICLE VII. AMENDMENTS

A. These Bylaws may be amended at any regular or special meeting by a two-thirds (2/3) vote of the members present and voting.

B. No Bylaw amendment shall be put to a vote at a membership meeting unless notice of the meeting has been given as provided in Article V.D together with the text of the proposed changes in these Bylaws.

OH-KY-IN SSTV Net Samples

Here's a sample of the images you could be receiving if you tuned into the weekly SSTV net on the 146.670 repeater. The net meets every Monday night at 9:00 PM Eastern time. No special equipment is required. If you have a 2 meter receiver and a computer or smart phone, you can receive images. If you don't know how, check in to the weekly Tech Talk net Wednesdays at 9:00 PM Eastern and ask for help. Hope to hear you all on the nets!

This space available!
Please join the SSTV net for a chance
to see your image here!

Because of this, if you send a PDF, please also include any graphics used as attachments.

Consider a Donation to OH-KY-IN

Did you know that OH-KY-IN ARS has been recognized by the Internal Revenue Service as a 501(c)(3) charitable organization? That means anyone who itemizes on their Federal return can take a charitable deduction for a contribution to OH-KY-IN, as long as it qualifies under the general rules applicable to all other charitable contributions (for example, the contribution must be in cash, or other property which the organization has agreed to accept; the value of volunteered services is not deductible). Membership dues, such as the cost of a life membership, may even be deductible; consult your own tax advisor for details if considering that. Posthumous donations by Will or by naming the organization as beneficiary of a financial account are also welcome.
