- August meeting info
- Volunteer incentive
- Much more!

Incentive for Volunteering

**WE NEED
VOLUNTEERS**

OH-KY-IN has two major fundraising events each year: Red, White and Blue Ash, on July 4th, and the three day Harvest Home Fair, September 5th through 7th.

The OH-KY-IN Board has approved an incentive to encourage volunteers to register early and help assure we have enough staff on hand. Things went well for Red, White & Blue Ash and one lucky volunteer will be receiving a nice gift card as a result. Now we need help with the Harvest Home Fair!

What is the incentive? A chance to win a gift card of at least \$20 and up to \$100 (max) based on 5% of the event revenue to the club from each event.

What you need to do: Email Rocky KE8DZS at dennisrmcgrath@gmail.com with your name, call sign, phone number and the start & end time you will work.

Harvest Home Fair is a three day event for our booth, running Friday, Saturday and Sunday. Friday and Saturday nights are the busiest times, depending on weather. Ideally we need at least five people during busy times and six is better.

Volunteers will receive free admission to the fair for days they volunteer. Parking can be a bit tricky, but if you arrive early in the day, you can often park within a few blocks. There is also sometime pay parking across the street from the park if you are willing to pay (often ran by Boy Scouts).

Questions? Email Rocky.

So many activities! ...and we need YOU!

There's a lot going on in September and we need as many people as we can get to make it all happen! On **Saturday, September 6th**, we have not one, not two, but **three** club activities all happening that day! As explained above, we have the **Harvest Home Fair**, one of our two main fundraisers for the year, happening that weekend from Friday through Sunday (the fair opens at noon and runs late into the evening). Rocky KE8DZS is the organizer for our booth.

Also on that same Saturday, we have **1940's Day at the Cincinnati Museum Center**, running from 10 AM to 5 PM. We are making a change this year, moving inside instead of outside, to make things a bit easier for us. If being outside kept you away in previous years, please consider volunteering this year. George N3VQW is coordinating this event.

Finally, the **Ohio State Parks on the Air** event is taking place that same day. Cesi KD8OOB will be coordinating the OH-KY-IN participation in this event.

Please consider helping out / participating in these events. There's something for everyone here, whether you are looking for an operating event, an indoor public outreach event or volunteering to raise money for the club and possibly win some for yourself!

Brunch Bunch

by Bruce Vanselow, N8BV

The next Brunch Bunch will be held Saturday, August 9th, at 1pm. The location for August is Cinful Eats located inside Stump's Lanes at 5536 Bridgetown Road, 45248, in Bridgetown. Stump's Lanes as well as Cinful Eats recently went through a very complex renovation.

“At Cinful Eats, we’re serving elevated comfort food with a bold twist — because bowling deserves better bites. Whether you’re fueling up for another round on the lanes or just stopping in for a great meal, our menu is packed with fresh, chef-crafted dishes that go beyond typical bowling alley fare.”

For a look at the menu as well as a map, go to: www.cinfuleats.com

Remember that the Brunch Bunch always meets the second Saturday of every month at 1pm at a location to be announced each month. If you can't join us this month, maybe you'll be available to join us in the months ahead.

I'm always looking for suggestions on what restaurant you think might be a good place for the Brunch Bunch to visit in the future.

73, Bruce N8BV

SSTV Net Schedule Change

Due to declining participation, the SSTV net will drop to only meeting on the first Monday of each month. If you are interested in this mode and want to see the net continue, please check in!

August Meeting — Important News

As part of our ongoing effort to keep our events relevant and valuable to our members, we have decided to replace our August meeting with something different. Instead of our normal “presentation and business meeting” format, there will be no set agenda, no presentation and no business meeting in August. Instead, we will have somewhat of a “meet up” format. Our normal meeting location (Arlington Heights Town Hall) will be open for members and visitors and we are suggesting a theme of “radio programming night.” Please plan on bringing radios, laptops, programming cables, etc. with the goal of sharing radio programming knowledge with each other and helping each other gain hands on experience. Are you super comfortable programming radios already? Great! Please come and share your knowledge with others. Are you totally lost trying to program your HT? Bring it with you and see if someone can help you! Zoom will **NOT** be available for this event — this will be in-person only.

For those that remember the Jerry Shipp W1SCR (SK) “Digital Group” meetings, this format should feel very familiar. This is an experiment, so if you like this idea, please attend and support it. While there is a suggested theme, obviously those in attendance can use the time any way they see fit. Please help make this a success!

Consider a Donation to OH-KY-IN

Did you know that OH-KY-IN ARS has been recognized by the Internal Revenue Service as a 501(c)(3) charitable organization? That means anyone who itemizes on their Federal return can take a charitable deduction for a contribution to OH-KY-IN, as long as it qualifies under the general rules applicable to all other charitable contributions (for example, the contribution must be in cash, or other property which the organization has agreed to accept; the value of volunteered services is not deductible). Membership dues, such as the cost of a life membership, may even be deductible; consult your own tax advisor for details if considering that. Posthumous donations by Will or by naming the organization as beneficiary of a financial account are also welcome.

Please remember to **renew** your membership!

We need all of you to keep OH-KY-IN going strong!

OH-KY-IN Amateur Radio Society has been a leading amateur radio organization in the Cincinnati, Ohio area for more than 60 years. We are a 501(c)(3) nonprofit organization dedicated to the advancement of all things radio. No matter the amateur radio interest, OH-KY-IN members are involved.
